This form can be used to supply information for your first webpage or to update the information and/or images on your page. Post to Blackheath Art Society, PO Box 224 Blackheath, 2785, or deliver to 139a Station St Blackheath.

Description of works

Up to 6 images in jpeg format can be submitted either by email to jeanner@optusnet.com.au or by post or hand delivery to the studio on CD Rom, clearly labeled with your name and phone number. Most photo developers can convert existing photographs into jpeg images on CD Rom. When scanning photos please set resolution to 72dpi and maximum width to 700 pixels. If all this is too complicated just post or
