## The studio

The BAS studio is at 139A Station Street, behind the Blackheath Rural Fire Station, just north of the station car park.

### Casual access

BAS members can use the studio at any time (with the exceptions of Mondays and Thursdays when a life model is present, and of times when exhibitions or workshops are on – see studio calendar).

To access the studio casually you will need to apply for the keycode to the door-lock. For security reasons, we change the keycode every year, so you will need to apply each year on your membership form.

### Studio groups

There are weekly studio groups for most mediums – no instruction, just good company! Convener's details and the days and times of studio groups are on the front door of the studio and on our website. You are also welcome to become a studio group convener if you would like to start a group in another medium.

Whether you come as part of a group or on your own, you must pay a small studio fee of \$5 per use (life drawing is \$20 including model fee; Clay Handbuilding is \$10 including glazes and firing). This helps to pay for studio facilities.

### Facilities

There are a number of sturdy easels, benches, scrap newspaper and rags available; a large sink for cleaning up, recycling and general waste bins; a kitchenette with tea, coffee, biscuits, plates, cutlery, a fridge and microwave; heaters, bathrooms, a small library and Wi-Fi. Generally you will need to bring your own paint and other equipment, though there is a small press and glass inking plates for printmaking, and tools, glazes and a kiln for clay handbuilding. A limited number of storage bins are available if you need to leave equipment at the Studio.

## Exhibitions and sales

All members are eligible to enter our annual shows: normally, the **Easter Members' Exhibition**, the **Winter Open**, and the **Blackheath Art Prize**. These are judged with cash prizes for 1<sup>st</sup> and 2<sup>nd</sup> place. We stipulate that all works are for sale, and we take a 25% commission. We sometimes hold an annual members' studio sale, 'Unframed' at which you can sell works on paper up to A2 in size and fine art cards. Members are also welcome to propose to the committee a **Members' Group Exhibition** by between 3 and 10 artists. There is no hiring fee to have a group exhibition, but all artists must be members and we take 25% commission on sales.

## Workshops and courses

We run workshops and short courses every year in a range of mediums and for all levels of expertise. They are open to members and non-members and as a member you receive a discounted fee and priority booking.

## Publicity for your work

There are 4 ways you can publicise your work through the society:

- ✓ Facebook page [www.facebook.com/blackhearthart](http://www.facebook.com/blackhearthart). We rotate members' work (with permission – see page 2 of this form) through the page banner, fully credited to the artist.
- ✓ Instagram feed (@basbluemountains): we post exhibition images and work, with a hashtag# to the artist's Instagram feed. If you use the hashtag #basbluemountains your work will also appear in our feed.
- ✓ **Artist gallery page on the BAS website** – apply at <https://blackhearthart.com/gallery/>
